WITH GRATITUDE

We are honoured to be working with the Musqueam, Squamish, and Tsleil-Waututh Nations, and are grateful for their support in welcoming the festival onto their shared territories.

SUSTAINABILITY

SKOOKUM is deeply dedicated to the preservation and protection of the park that hosts us; the ocean that surrounds us; and the world in which we live and play.

Our sustainability program is built by carefully selecting responsible products and implementing strong recycling and waste diversion practices. We are proud to partner with Ocean Wise® as the first Ocean Wise Life Event and to work on a number of initiatives, the first of which includes a pledge to ban single-use plastic bottles, plastic bags, plastic containers, plastic straws, and styrofoam containers at the festival. We also want to inspire you—as a responsible SKOOKUM festivalgoer—to join us in these sustainability efforts.

RFID WRISTBANDS

Fashionable, sought-after, and worthy of repeated Instagram shots, your RFID wristband has an even higher purpose: it gets you into the festival. Don't forget that it's just for you—each wristband must be registered to one individual guest only.

Registering your wristband:

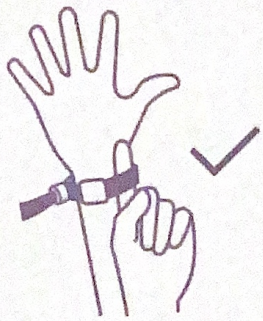
- Register your wristband in advance at https://registration.frontgatetickets.com/#/2018skookumfestival
- Follow the steps to set up an account for each wristband
- The wristband ID is the number on the back of the RFID tag
- Registration is vital: it helps us manage any potential lost or stolen wristband scenarios
- Trouble registering your wristband? Contact us for help via order-support@frontgatetickets.com

We know it's tempting but do not put your wristband on early. Instead, wait until day one of your festival visit and slide it on before heading over to Stanley Park. **Wristbands will be void if they've been removed or tampered with.**

MONEY MATTERS

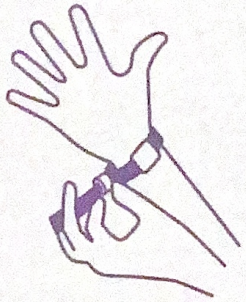
Cash, credit, and debit are accepted onsite. Prepare to get your "tap" on—cash lines will always be slower.

WRISTBAND RULES

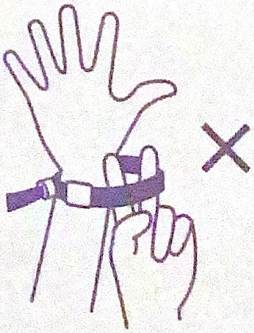


Slip the band onto your **RIGHT** wrist and tighten by sliding the plastic lock up.

Do not over-tighten, the closure slides one way and cannot be loosened once the wristband is fitted. It's helpful to have another person assist with the fitting. Do not cut the tails.



You should be able to slide one finger between the band and your wrist.



Loose wristbands will be tightened by festival staff and security.

GETTING HERE & AWAY

Leave your car at home! Parking is extremely limited and access to the east side of the park will be restricted to those who have pre-purchased parking through the festival website. Be cool and utilize the many other options for getting to and from SKOOKUM. Keen to travel more sustainably? Now's your big chance.

WALK

Our Stanley Park site is a beautiful 30-minute stroll from Coal Harbour—the perfect way to start your SKOOKUM day.

BIKE

Stretch your calves on a scenic and easy 20 minute bike ride to the festival. Your reward? Our free bike valet service—and burning enough calories to upsize your dinner (aim for two desserts).

SHUTTLES

Zip from downtown Vancouver to Stanley Park (and back) in minutes with our special SKOOKUM Shuttles, running continuously during open hours from the Burrard Skytrain station to the festival main gate.

TRANSIT

TransLink's #19 bus takes you directly from downtown Vancouver (or beyond) into the heart of Stanley Park—and a short, tree-lined stroll to the SKOOKUM site.

Taking a TransLink SeaBus service from the North Shore? Transfer to the #19 in downtown Vancouver or stretch your legs on a scenic walk or bike ride via the Coal Harbour seawall.

EVO CAR SHARE

As SKOOKUM's official car share partner, Evo makes getting here supremely easy. Take Evo and bypass potential parking woes by pulling up at the free Evo Valet near our entry gates.
